

**REMARKS**

This Amendment cancels all rejected claims. The remaining claims have all been allowed. Therefore, the application is now in condition for allowance, and allowance is requested.

**Consideration of Prior Art Document**

Applicants request consideration of the "PressurStat" prior art document submitted with an IDS along with the originally filed application and later resubmitted with a Request for Reconsideration of Information Disclosure Statement on March 2, 2005.

In a telephone conference on November 22, 2005, the Examiner agreed to consider the PressurStat document if Applicants provide the document's publication date, or, if the publication date is not known then the date that Applicants were first aware of the PressurStat document.

Applicants are not aware of the PressurStat document's publication date. Applicants first became aware of the PressurStat document in May 2003, and are not aware of its having existed before then.

Respectfully submitted,

*Mitchell Rose*
